

1st Corinthians Chapter 3

1. Why could Paul not speak plainly to the Corinthians? See 3:1
2. What does it mean to need “milk”? What other passages speak of milk?
3. Do you need milk or are you ready for meat? Is there anything to be embarrassed about needing the milk of the word? What?
4. How does v3:4-7 tie back to 1:12-13?
5. What does Paul mean that he and Apollos planted and watered?
6. What does it mean for God to provide the increase?
7. What does v10-15 mean? What is the foundation? What is being built?
8. How is v14-15 to be interpreted?
9. What is there a relationship between v9 and v16?
10. Does the Spirit of God dwell in you? How? You will need other verses to understand the how part of the question.
11. What do we learn about wisdom from v18-21?
12. How does Paul end the chapter? What is the point? Notice the tie back to 1:12-13 and 3:5
13. How should a person apply these passages in life today?
